BIENNIAL UPDATE REMINDER / WARNING NOTIFICATION

Dear WALTER THOMAS,

The Federal Motor Carrier Safety Administration (FMCSA) requires an update of USG7 LLC's Motor Carrier Identification Report (MCS-150) form every two years (commonly known as the biennial update). The biennial update is required, even if your company's information has not changed or the company is no longer operating in interstate commerce.¹ FMCSA records indicate that USG7 LLC's last updated registration information was on May 28, 2009. Pursuant to 390.19(b)(2), the biennial update for USDOT number XXXX165 is due on or before May 31, 2014.

Pursuant to 49 CFR 390.19(b)(4), failure to complete a biennial update of the MCS-150 form, consistent with the requirements of 49 CFR 390.19(b)(2), may result in the imposition of a civil penalty of up to \$1,000 for each offense. Each day the violation continues constitutes a separate offense, and the total penalty for all offenses related to a single violation may not exceed \$10,000. Failure to complete the biennial update as required may also result in deactivation of your USDOT number. An active USDOT Number is required for motor carrier transportation in interstate commerce, transportation without USDOT Registration and an active USDOT Number is specifically prohibited. See 49 USC 31134 and 49 CFR 392.9b. Continued operations after deactivation of a USDOT number may result in additional civil penalties, in accord with 49 U.S.C. 521.

Failure to update the MCS-150 for USDOT Number XXXX165 on or before May 31, 2014 may result in DEACTIVATION of your USDOT number and civil penalties. USDOT Number XXXX165 will be deactivated on July 1, 2014, if no action is taken.

You may update your USDOT Registration information by completing the biennial update process at no charge to your company. To complete the biennial update electronically, access the FMCSA online registration web site at <http://safer.fmcsa.dot.gov> and complete the process outlined below, using your full USDOT number and personal identification number (PIN) and EIN/SSN. For your convenience, the PIN for USDOT Number XXXX165 is included at the top of this Notice.

Procedures for completing the biennial update online, <http://safer.fmcsa.dot.gov>:

- a) Under the **FMCSA Services** section, click on **FMCSA Registration & Updates** link.
- b) In the '**Register or Update Now Without Help**' dialogue box, click on '**Start the Online Registration without Help**' link.

¹ **Interstate commerce** means trade, traffic, or transportation in the United States

(b)(1) Between a place in a State and a place outside of such State (including a place outside of the United States);

(b)(2) Between two places in a State through another State or a place outside of the United States; or

(b)(3) Between two places in a State as part of trade, traffic, or transportation originating or terminating outside the State or the United States.

- c) Click on the radio button next to the prompt "**I need to update my USDOT number registration information or file my biennial update.**" Scroll to the bottom of the screen and click '**Continue**'.
- d) When the '**USDOT Number MCS-150 Update (Including Biennial)**' informational screen is displayed, click **File Electronically** to continue the process.
- e) Continue the login process using your full USDOT number, assigned PIN, EIN/SSN, and Company Official information, and then click '**Continue**'.
- f) When the FMCSA Company Verification screen is displayed, verify the data and then click **Continue** next to the prompt "The company displayed is correct."
- g) Enter all required valid credit card information and click **Submit**.
- h) When your record is displayed, **correct and/or verify all of the information** on the electronic MCS-150 screens. Once all information has been corrected and/or verified, click the **Modify** button. **You must click the Modify button in order for the biennial update to be completed.**
- i) Once the update has been processed, a confirmation screen will appear indicating your update to MCMIS has been accepted. Clicking on the '**Generate MCS-150 Go**' button allows you to print out a completed copy of the updated MCS-150.

If you are not able to perform the biennial update online, the MCS-150 form is available at <http://www.fmcsa.dot.gov/registration-licensing/print-forms/print-forms.htm> or you may contact FMCSA support services at 1-800-832-5660 and request that a pre-filled MCS-150 form be mailed. Correct and/or verify the information on the form, sign and date it and mail to the address provided on the instructions for completing the form. Note: the hard copy form must be received by FMCSA on or before May 31, 2014 to avoid deactivation of your USDOT number and the assessment of civil penalties.

Thank you for your prompt attention to this very important matter.

Sincerely,

A handwritten signature in black ink that reads "Steven Dillingham".

NOTIFICATION OF ONLINE PERSONAL IDENTIFICATION NUMBER(PIN) REQUEST

Dear GRAHAM WRIGHT,

This notification is being sent as a result of an FMCSA online USDOT Number PIN request for your USDOT Number XXXX165. The following information is provided:

Name of Requestor: Graham Wright

Email Address to which PIN was provided: info@usg7.com

Date: July 25, 2014

The PIN that was sent is located in the header information of this letter.

If the above named requestor **WAS** authorized to make such a request, no further action is required.

If the above named person **WAS NOT** authorized to make such a request, immediately go to <http://safer.fmcsa.dot.gov> and request a PIN reset or contact FMCSA support services at 1-800-832-5660.

FMCSA strongly recommends the safeguarding of your PIN to prevent unauthorized access to your information. Go to <http://www.fmcsa.dot.gov/documents/alerts/Protect-Your-PIN-Number.pdf> for safeguarding tips.

FMCSA Officials DO NOT issue PIN's, or ask for your PIN, Credit Card, or Banking Information by telephone!

Your attention to this matter is greatly appreciated.
